

1

Direct
Connection
between
Students and
Universities

Connecting
with students
or alumni who
are present in
their final year
or pre final
year

Admission
Criteria for
Specially
abled people

Provide
references
from trustable
third party
websites for a
university

3

Students who
applied to the
university but
turned down
should be
informed

Look for the
information
and compare
universities to
choose better

Seeing
government
eligibility
requirements
and
scholarship
that
organization
can use them

Share your
idea here

2

Guidance
should be
provided to
the students
according to
their mark
and criteria

Selecting
colleges that
can improve
our skills

Performance
vs Reputation
analysis in
choosing a
Stream

Continuous
&
Consistent
Data
Collection

4

Verify the
integrity of the
applicant to
find error or
duplication

Prevent
applicants
from creating
multiple user
profiles to
avoid data
duplication

Apart from the
eligibility
criteria make a
comparison
between
multiple
universities in
the applicants

Preferences
that help the
students to
save a lot of
money while
selecting
colleges
